Mr. S. R. Morss,
R. R. #3,
Bradford, Mass.

Dear Mr. Morss:-

It gives us great pleasure to acknowledge your letter of October 22nd and to verify completely, your report of reception of CFCF.

There must have been something peculiar in the atmospheric conditions on last Saturday morning, since we received another DX report from a listener in Schuylkill Haven, Pennsylvania covering exactly the same period of our broadcasting day as your report.

Yours very truly,

G. F. Keeble,
Station Manager.
